Extenway Guest Media Solution Goes Live at Canyon Ranch Miami Beach

Montreal, February 24, 2009 - Extenway Solutions Inc. (TSX Venture Exchange: EY), provider of Interactive TV and Guest Media Solutions, announced today that its solution was in operation at Canyon Ranch's newest property in Miami Beach.

Featuring luxurious guest suites, Canyon Ranch Miami Beach looks forward to delighting their guests with the very latest in customized media entertainment.

With a total of 338 Extenway Media units installed throughout the one and two bedroom hotel suites, guests staying at the world-class hotel and wellness spa will enjoy a wide selection of state-of-the-art interactive services and solutions including first-run Hollywood studio films, virtual concierge services, external device connectivity, guest activity, a full internet browser, video games, a virtual PC, an onboard DVD player, a memory card reader, and more. All of this is delivered to the guest via a user interface customized specifically to match the Canyon Ranch décor and ambiance.

"Canyon Ranch Miami Beach is pleased to partner with Extenway to offer our guests the latest and most advanced guest-suites interactive technology" said Andy Ross, VP Technology at Canyon Ranch. "Installing the Extenway Guest Media solution in all of our suites will bring our guests an impressive selection of media, connectivity and communications options and enhances our image as a hotel of unexpected possibilities."

"We are proud to be working with this prestigious brand" said Jack McAllister, President and CEO of Extenway. Canyon Ranch has developed an array of impressive properties and are renowned for their world-class standards. In addition to satisfying the entertainment and connectivity needs of their guests, we worked closely with their graphics design team to create a user interface that would extend both the elegance and sophistication of their brand onto the television".
