Extenway Announces New Web Site Design

Montreal (Quebec), February 10, 2009 - Extenway Solutions Inc. (TSX Venture Exchange: EY), provider of Interactive TV and Guest Media Solutions, announced today that it had entered a new phase of its strategic branding initiative with the redesign of its website.

The new website reflects Extenway's expansion into the healthcare market which was announced in November last year and will bring online visitors a dynamic new look with improvements in navigation, clarity, and overall appearance.

The new information on our Healthcare solutions describes major functionality as well as benefits for key user groups such as patients, clinicians and hospital administrators, as well as describing the underlying technology.

The intuitive and consistent web pages allow users to find information faster and easier and know where they are within the website. Enhanced graphics and new page layouts provide visitors with a consistent look and improved user experience.

The newly designed site (www.extenway.com) supports browsing through expanded information about Extenway's services and pioneering solutions.
